

look Out... ...for these Potential Programs

+ Adult Tai Chi

An introduction/foundational program focused on proper technique, positioning, and balance needed in the practice of Tai Chi. This program will give you a basic understanding of Tai Chi and integrate the various health benefits of the practice while preparing students for more advanced movements and lessons.

+ Snow Removal Assistance

Students will have the opportunity to earn a wage or community service hours by clearing snow from main entrances, sidewalks, walkways and driveways for Watertown residents who are in need of assistance due to age, disability or other health reasons. The objective is to give students the chance to develop strong community spirit while earning a wage or service hours. Also, students who complete the program and will be invited to an end of the year pizza party!

+ Wachusett Ski/Board

Due to the current circumstances, this year the Ski/Board program will not be offered in the traditional manor. The Recreation Department is working to secure ski passes that will be offered to families in Watertown. More information will be available soon.
